

# Electrolux Roll-in/Pass-through

## Hot cabinets

The Electrolux range of Roll-in and Roll-in/Pass-Through cabinets has been produced for large size customers, as big caterers, hospitals, in-flight, institutions etc., demanding the highest efficiency in the kitchen-flow. The appliances are able to fit perfectly with any kind of trolleys, which are a basic essential in every well-organized food flow. The Electrolux Roll-in are also used to implement a Cook & Chill and Banqueting concept. The whole range includes different sizes, refrigerated roll-in and roll-in/pass-through and hot roll-in and roll-in/pass-through.

732063

### EASY TO CLEAN

- The whole interior cell is constructed of AISI 304 stainless steel with round corners for a better internal cleanability. There are no obstructions or dirt traps.
- Exterior finish is AISI 304 stainless steel for easy cleaning.

### EASY TO USE

- Simple control panel: on/off switch, digital temperature display.
- Ventilated heating for the best temperature distribution.

### EASY TO MAINTAIN

- All models finished in top quality materials to guarantee durability.

### EASY ON THE ENVIRONMENT

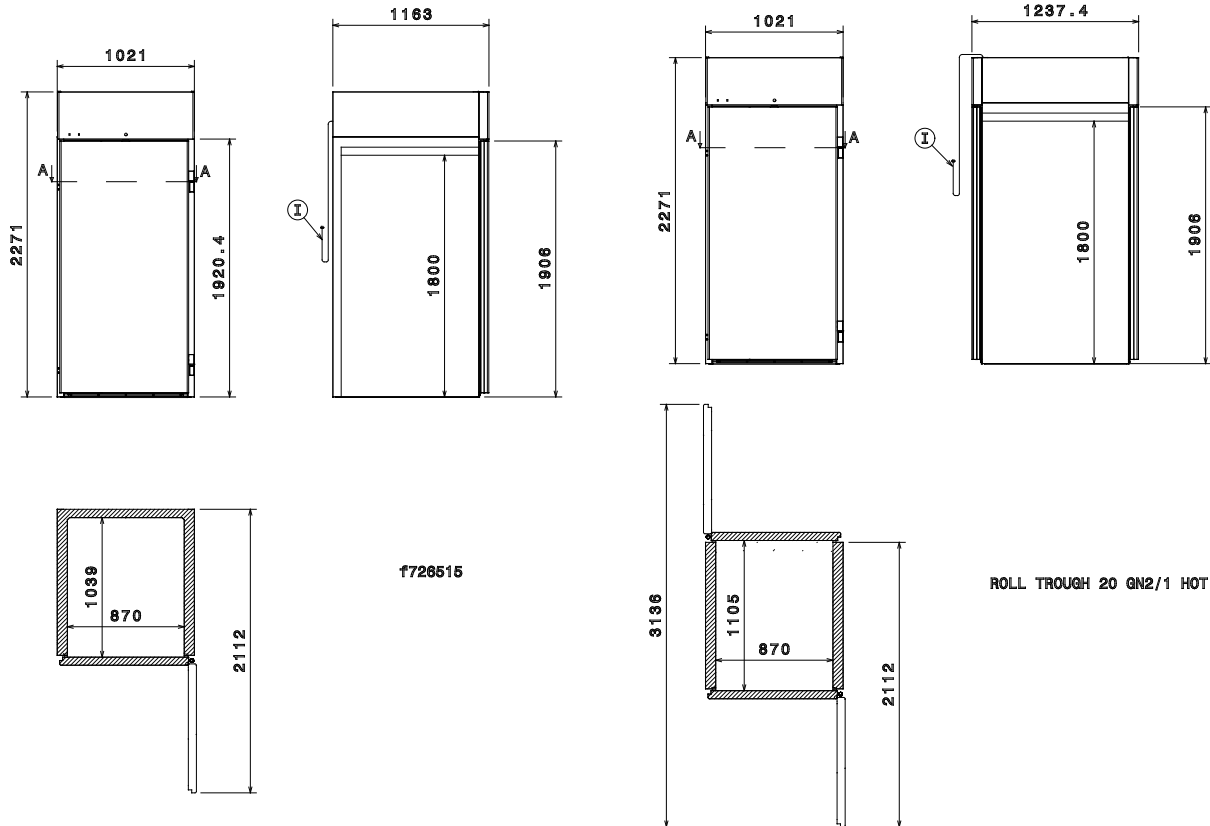

- Gas in foam: cyclopentane.
- Developed and produced in ISO 9001 and ISO 14001 certified factory.
- All models comply with the standards required by the main international approval bodies and are CE marked.
